

# CAL 2010

Avast my fellow 4-H Pirates!  
Join us on January 22-24th for CAL Conference:  
Find Your Inner Treasure, The 20th Anniversary.  
Meet 4-Hers from ALL over the North Central Section in learning Pirate-Themed Leadership skills such as team work, because you can't sail a ship by yourself. There will also be some amazing guest speakers who will share some of their fun and insightful pirating experiences with you. Make sure you get your application in now, because we will only be accepting **15 MEMBERS** from each county. Also, to celebrate 20 successful conferences, we will have a **THIS YEAR ONLY** fee of only \$75! This is a severely cut cost from last year's \$140 fee. Send your application in to your county extension office no later than November 27th!  
Well me hearties, I hope to see you see you sailing the Leadership seas soon!
